

Friday Afternoon June 20th, 2008

Stage 1: Oregon Trail Road Race

The Oregon Trail Road Race is the traditional Stage-1 course for Elkhorn and is the perfect way to begin a stage event with a neutral start from the Baker High School starting area via a police escort along Hwy30 to the city limits then over 20 miles of nearly flat wide roads to North Powder. After turning right on Hwy237 through North Powder the race takes shape with the first climb upto Toleca Set Hill then winding down Pyles Creek Canyon and into the town of Union. Another rightturn on Hwy203 and the course begins a steady climb through beautiful Catherine Creek Canyon. Over and around Frazier Mountain the course drops down into a small valley before another shortclimb marks the start of power rollers through Pondosa and Medicine Creek before returning to down into the outskirts of Baker City for a 3k, all-out, flat-out dash to the finish line.

Departing Baker High School:

*Men pro 1/2 1:30 PM
Men 3 1:40 PM
Masters 40 + 1:50 PM
Men 4/5 2:00 PM
Women-All 2:10 PM*

4100'

Saturday Morning June 21st, 2008

Stage Two: Pleasant Valley Individual Time Trial

This course will challenge every type of rider in the peloton. A fast descent with one big roller will get you off to a good start and a quick 5.5 miles to the turn around. Save some in the tank for the 4.5 mile return trip is more challenging. Power rollers, great views, and light traffic should make this an excellent venue!

Directions to the course: we will be staging at the pleasant Valley Speedway. Take Campbell street to I 84. Take I 84 east, towards Boise. Exit at #313, turn right on Old Highway 30 and almost an immediate left into the parking area of the Pleasant Valley Speedway. Please carpool if possible and allow 15 minutes of driving time.

Saturday Afternoon June 21st, 2008

Stage Three: Gold Rush Criterium

The criterium you have always dreamed of: flat wide streets, historic buildings, a rowdy crowd and lots of money up for grabs. A six corner, 1 kilometer lap barn burner. Go for the gold!

Cash primes from race organizers intermixed with merchandise, coupons, and other local treats make the Gold Rush Criterium uniquely Baker City.

The afternoon begins with the 'Elkhorn Youth Series Kiddie Kilo' from 2:00 - 2:30 then open for warm up uptil racing begins.

Start/Finish: Begin on Main Street at intersection of Court Street, north on Main, west on Broadway, south on 2nd, east on Washington, south on First, east on Valley, North on Main for a return to start/finish.

Course Profile: Start _____ Finish (You get the idea)

Elkhorn Youth Series Kiddie Kilo @ 2:00 - 2:45

*Men 4/5 start @ 3:00 - 35 minutes plus 2 laps
Masters 40+ start @ 3:45 - 40 minutes plus 2 laps
Women All start @ 4:40 - 40 minutes plus 2 laps
Men 3 start @ 5:30 - 45 minutes plus 2 laps
Men Pro 1/2 start @ 6:30 - 60 minutes plus 2 laps*

Sunday Morning June 22nd, 2008

Stage Four: Dooley Mountain Road Race

By popular demand, the alternate route has proved to be such an epic day of racing it is now the main route! This course starts out flat heading south from Baker City and then gently climbs through the beautiful Powder River Canyon. At the top you will ride along the shoreline of Phillip's Reservoir and the dredge tailings from the early mining days around Sumpter. Turning over the historic narrow gauge railroad tracks leads to the first of three climbs through the Blue Mountains. The first feed zone will be at the top with water only, the next feed zone will have water and food. After the third climb you will descend into the rock formations and valleys of the Burnt River. This 25 mile stretch of flat quiet roads is stunning and gives a chance to regroup before the final finishing climb to the summit of Dooley Mountain. This is a climb that will create the conversations in your car on the way home! It is a 5-6% grade that has numerous tight switchbacks, magnificent views, photo opportunities, and a chance to really shake up the general classification. Food and drink await those who finish at the top, provided by local community members at the "Hobson Finish Festival" in honor of the race founder.

Dooley Mountain Road Race: Approximately 105 miles. Start at Baker High School and head south on Hwy 7. Continue on Hwy 7 to Austin Junction and intersection of Highway 26. Turn left, east, on highway 26 through Unity and Hereford. Turn left, north on Hwy 235 towards Baker City to finish at the top of Dooley Mountain. Baker City is a 5 mile descent out of Dooley and a 5 mile flat ride back to town on Hwy 7. As always, the race organizers will provide as many shuttle opportunities as possible; however, please be prepared to arrange your own shuttle or ride back to town if at all possible.

Departing Baker High School:

Women All - 8:00 AM
Men Pro 1/2 - 8:15 AM
Men 3 - 8:30 AM
Masters 40+ - 8:45 AM
Men 4,5 - 9:00 AM.
